

# Matthew Smith - Junior Software Dev.

Phone: (778) 535-5854 || Email: [smis@shaw.ca](mailto:smis@shaw.ca) || [Web Portfolio](#) || [LinkedIn](#) || [GitHub](#)

---

## Profile

**Self-motivated, team-oriented, and dependable** student software developer enthusiastic about gaining experience. Over 5 years of software expertise, with a focus on collaboration and efficient workflow. Intrigued by technology's elegant solutions and passionate about helping others through the impact of my work.

---

## Skills

- ❖ Quick Learning
  - ❖ Expert Communication
  - ❖ HTML5 / SCSS / JS/TS / PHP / Python / Java
  - ❖ Problem Solving
  - ❖ Git / CLI Tools / Agile / Scrum
  - ❖ Node / Angular / Ionic / Firebase
- 

## Work Experience

### Software Developer Intern || Ayodo Foundation || May-July 2020

- ❖ Built a prototype SMS notification service for e-payment transactions using HTML, CSS, JS, and Twilio.
- ❖ Designed and developed an image storage structure for QR codes using Firebase Storage and real-time Database.
- ❖ Debugged portions of an intricate Point-of-Sales system built in Laravel PHP, HTML, CSS, and JS.
- ❖ Joined as the sole developer for the organization, and met weekly with the CEO and industry partners to discuss progress, issues, and new ideas.

### Bike Mechanic || Trek Pro City || April 2020 - Present

- ❖ Deliver high-quality service to a wide range of bikes, and assist in media and advertising for the shop.
- 

## Volunteer Experience

### Student Developer & Ambassador || HighTechU || March 2020 -Present

HighTechU is a program by the UVic Faculty of Engineering aimed at preparing high-school-aged youth in BC for a career in technology. It consists of annual work placements, client projects, training, and hackathons.

- ❖ Worked with clients to launch an MVP for an online shopping tool using HTML, CSS, Node.js, and Bootstrap.
- ❖ Advocated for and planned events, such as periodic "Collabothons" (hackathons) and longer-term learning opportunities for high school students exploring a career in software.

### Video/Photographer || South Island Mountain Bike Society || March 2019-Present

- ❖ Film, edit, and produce content for media advocacy and growth such as the [showcase of a new bike trail](#) and the promotion of a [local bike day for kids](#).
- 

## Accomplishments

### SHAD Fellow || Queens University || July 2018

- ❖ A month-long academic program abroad focused on working in a team-dynamic, problem-solving, and preparation for post-secondary.

### ToastMaster || Greater Victoria Public Library || 2012-2016

- ❖ An annual program dedicated to teaching students public speaking and communication skills through group discussions and speeches.

### Student Voice || SD61 School District || January 2020

- ❖ I was invited to the annual budget symposium to share my perspective on the budget and strategic planning for the school year to come.
